### Subpart D—Duties and Responsibilities of Ocean Transportation Intermediaries; Reports to Commission

#### § 515.31 General duties.

(a) *License; name and number.* Each licensee shall carry on its business only under the name in which its license is issued and only under its license num-

ber as assigned by the Commission. When the licensee's name appears on shipping documents, its Commission license number shall also be included.

(b) *Stationery and billing forms.* The name and license number of each licensee shall be permanently imprinted on the licensee's office stationery and billing forms. The Commission may temporarily waive this requirement for good cause shown if the licensee rubber stamps or types its name and Commission license number on all papers and invoices concerned with any ocean transportation intermediary transaction.

(c) *Use of license by others; prohibition.* No licensee shall permit its license or name to be used by any person who is not a *bona fide* individual employee of the licensee. Unincorporated branch offices of the licensee may use the license number and name of the licensee if such branch offices:

(1) have been reported to the Commission in writing; and

(2) are covered by increased financial responsibility in accordance with § 515.21(a)(4).

(d) *Arrangements with ocean transportation intermediaries whose licenses have been revoked.* Unless prior written approval from the Commission has been obtained, no licensee shall, directly or indirectly:

(1) Agree to perform ocean transportation intermediary services on shipments as an associate, correspondent, officer, employee, agent, or sub-agent of any person whose license has been revoked or suspended pursuant to § 515.16;

(2) Assist in the furtherance of any ocean transportation intermediary business of such person;

(3) Share forwarding fees or freight compensation with any such person; or

(4) Permit any such person, directly or indirectly, to participate, through ownership or otherwise, in the control or direction of the ocean transportation intermediary business of the licensee.

(e) *False or fraudulent claims, false information.* No licensee shall prepare or file or assist in the preparation or filing of any claim, affidavit, letter of indemnity, or other paper or document concerning an ocean transportation

intermediary transaction which it has reason to believe is false or fraudulent, nor shall any such licensee knowingly impart to a principal, shipper, common carrier or other person, false information relative to any ocean transportation intermediary transaction.

(f) *Errors and omissions of the principal or shipper.* A licensee who has reason to believe that its principal or shipper has not, with respect to a shipment to be handled by such licensee, complied with the laws of the United States, or has made any error or misrepresentation in, or omission from, any export declaration, bill of lading, affidavit, or other document which the principal or shipper executes in connection with such shipment, shall advise its principal or shipper promptly of the suspected noncompliance, error, misrepresentation or omission, and shall decline to participate in any transaction involving such document until the matter is properly and lawfully resolved.

(g) *Response to requests of Commission.* Upon the request of any authorized representative of the Commission, a licensee shall make available promptly for inspection or reproduction all records and books of account in connection with its ocean transportation intermediary business, and shall respond promptly to any lawful inquiries by such representative.

(h) *Express written authority.* No licensee shall endorse or negotiate any draft, check, or warrant drawn to the order of its principal or shipper without the express written authority of such principal or shipper.

(i) *Accounting to principal or shipper.* Each licensee shall account to its principal(s) or shipper(s) for overpayments, adjustments of charges, reductions in rates, insurance refunds, insurance monies received for claims, proceeds of C.O.D. shipments, drafts, letters of credit, and any other sums due such principal(s) or shipper(s).

**§515.32 Freight forwarder duties.**

(a) *Notice of shipper affiliation.* When a licensed freight forwarder is a shipper or seller of goods in international commerce or affiliated with such an entity, the licensed freight forwarder shall have the option of:

(1) Identifying itself as such and/or, where applicable, listing its affiliates on its office stationery and billing forms, or

(2) Including the following notice on such items:

This company is a shipper or seller of goods in international commerce or is affiliated with such an entity. Upon request, a general statement of its business activities and those of its affiliates, along with a written list of the names of such affiliates, will be provided.

(b) *Arrangements with unauthorized persons.* No licensed freight forwarder shall enter into an agreement or other arrangement (excluding sales agency arrangements not prohibited by law or this part) with an unlicensed person that bestows any fee, compensation, or other benefit upon the unlicensed person. When a licensed freight forwarder is employed to perform forwarding services by the agent of the person responsible for paying for such services, the licensed freight forwarder shall also transmit a copy of its invoice for services rendered to the person paying those charges.

(c) *Information provided to the principal.* No licensed freight forwarder shall withhold any information concerning a forwarding transaction from its principal, and each licensed freight forwarder shall comply with the laws of the United States and shall exercise due diligence to assure that all information provided to its principal or provided in any export declaration, bill of lading, affidavit, or other document which the licensed freight forwarder executes in connection with a shipment is accurate.

(d) *Invoices; documents available upon request.* Upon the request of its principal(s), each licensed freight forwarder shall provide a complete breakout of its charges and a true copy of any underlying document or bill of charges pertaining to the licensed freight forwarder's invoice. The following notice shall appear on each invoice to a principal:

Upon request, we shall provide a detailed breakout of the components of all charges assessed and a true copy of each pertinent document relating to these charges.
